Notes:

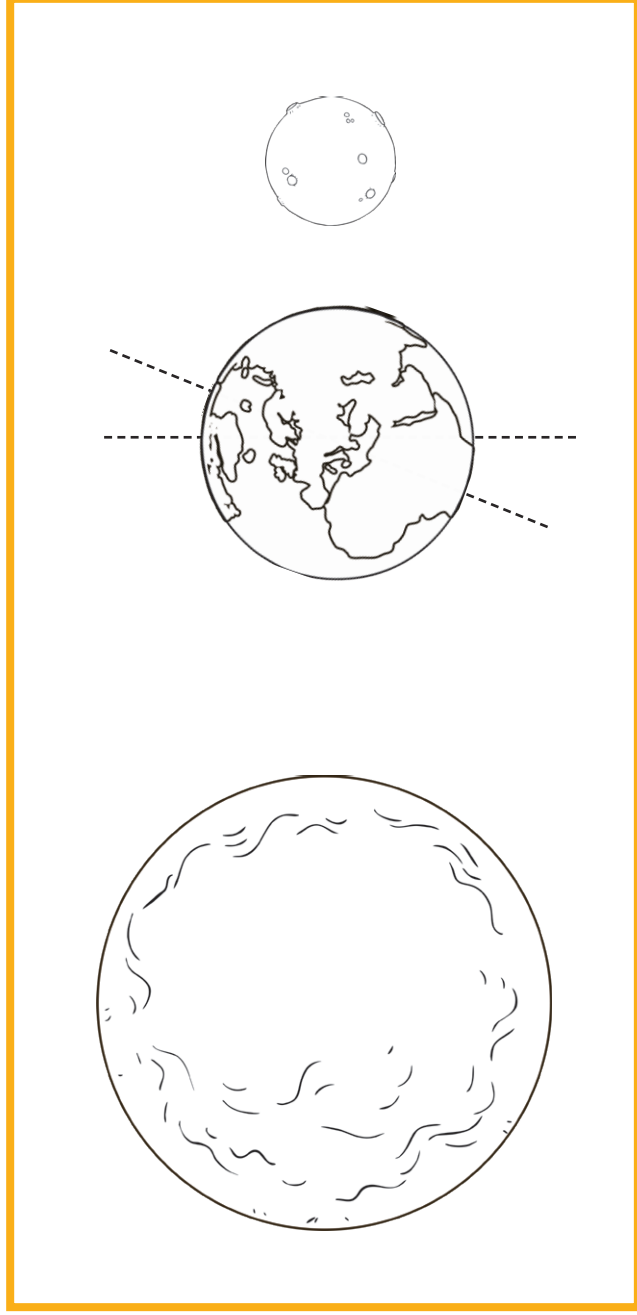

Hi everyone, well done on all your efforts and commitments so far, keep up the fantastic work.
Please share your **photographs** for the '**Home Gallery and Home Projects**' section in our Learning Zone area

Busy Bee:

Check out NASA's kids club <https://www.nasa.gov/kidsclub/index.html>

Why Do We Have Day and Night?

1. Label the Earth, Sun and Moon on the picture.
2. Can you explain why we have daytime and night-time?

Word Bank

Earth Sun light daytime night-time spins axis Moon reflects

3. Colour in the picture to show which part of the Earth is in daytime and which part is in night-time.

Print out the Balloon Template and write your name and your class on the back.
Write a hope you have for the future in the centre and then get creative designing your balloon.
Try not to cover your lovely writing with your design.

Return your balloon to school on the same day you are returning your School Books-

We can't wait to see them!
